

You can make a big difference in the lives of a lot of children

With your clubs ongoing support of this worthwhile project **“Operation Teddy Bear”** is able to continue to supply bears to the Victoria Police and their SOCIT units, Air Ambulance, Children’s Court Victoria, County Court and The Coroners Court. We also supply bears to other worthy institutions such as hospitals, children's cancer units and other organisations dealing with children in distressed situations.

With your generous donations last year we were able to keep the program going and have a friendly bear within reach to those that needed it. Have a look at our web site for more information.

This is an easy project for a club to be involved in and costs very little, but boy does it make a difference to those involved.

This project is a most worthy cause and again we are asking **for your clubs support** to continue this wonderful work. There is an ever increasing demand for bears and your financial assistance would be much appreciated. The cost of bears is \$10.00 each or \$240 for a box of 24. All cheques including donations should be made out to **“Lions Crimewatch Speak Up Committee Inc”** or **EFT to BSB 063167 A/C No 10474463 & in the recipients statement enter your Clubs Name** Please Note that for all Clubs will incur a freight charge. Clubs should contact Lion Shane Bruce for advice on freight charges when placing an Order
PLEASE clearly state on correspondence whether it is a donation or an order for bears and include a delivery address NOT a PO BOX. Please post to:
